

**CITY OF OSCEOLA, IOWA
NATURAL GAS FRANCHISE**

ORDINANCE NO. 574

AN ORDINANCE REPEALING ORDINANCE NO.442 AND GRANTING TO INTERSTATE POWER AND LIGHT COMPANY, ITS SUCCESSORS AND ASSIGNS, A NON-EXCLUSIVE TWENTY-FIVE YEAR FRANCHISE TO ERECT, CONSTRUCT, RECONSTRUCT, MAINTAIN, AND OPERATE PLANT AND SYSTEMS FOR THE DISTRIBUTION OF NATURAL GAS IN THE CITY OF OSCEOLA, IOWA AND TO SELL, DISTRIBUTE, AND SUPPLY NATURAL GAS TO SAID CITY AND ITS INHABITANTS, AND REQUIRING SAID COMPANY TO PAY A FRANCHISE FEE TO THE CITY.

BE IT ORDAINED BY THE City Council of the City of Osceola, Clarke County, Iowa, hereinafter referred to as the "City":

Section 1. There is hereby granted to Interstate Power and Light Company, hereinafter referred to as the "Company," its successors and assigns, the right, privilege and non-exclusive franchise for the term of twenty-five (25) years from and after the passage, adoption, approval and acceptance of this Ordinance, to lay down, maintain and operate the necessary pipes, mains and other conductors and appliances in, along and under the streets, avenues, alleys and public places in the City as now or hereafter constituted, for the purpose of distributing, supplying and selling gas to said City and the residents thereof and to persons and corporations beyond the limits thereof; also the right of eminent domain as provided in Section 364.2 of the Code of Iowa. The term "gas" as used in this franchise shall be construed to mean natural gas only.

Section 2. The mains and pipes of the Company must be so placed as not to interfere unnecessarily with water pipes, drains, sewers and fire plugs which have been or may hereafter be placed in any street, alley and public places in said City nor unnecessarily interfere with the proper use of the same, including ordinary drainage, or with the sewers, underground pipe and other property of the City. The Company, its successors and assigns shall hold the City free and harmless from all damages arising from the negligent acts or omissions of the Company in the laying down, operation and maintenance of said natural gas distribution system.

Section 3. In making any excavations in any street, alley, or public place, Company, its successors and assigns, shall protect the site while work is in progress by guards, barriers or

signals, shall not unnecessarily obstruct the use of the streets, and shall back fill all openings in such manner as to prevent settling or depressions in surface, pavement or sidewalk of such excavations with same materials, restoring the condition as nearly as practical. The Company shall not be required to restore or modify public right of way, sidewalks or other areas in or adjacent to the Company project to a condition superior to its immediate previously existing condition.

Section 4. The Company shall, at its cost, locate and relocate its existing facilities or equipment in, on, over or under any public street or alley in the City in such a manner as the City may at any time reasonably require for the purposes of facilitating the construction, reconstruction, maintenance or repair of the street or alley or any public improvement thereof, in or about any such street or alley or reasonably promoting the efficient operation of any such improvement. If the City requires the Company to relocate facilities in the public right of way that have been relocated at Company expense at the direction of the City during the previous ten years, the reasonable costs of such relocation will be paid by the City.

If the City orders or requests the Company to relocate its existing facilities or equipment for any reason other than as specified above, or as the result of the initial request for a commercial, private or other non-public development, the Company shall receive payment for the cost of such relocation as a precondition to relocating its existing facilities or equipment.

The City shall consider reasonable alternatives in designing its public works projects so as not arbitrarily to cause the Company unreasonable additional expense in exercising its authority under this section. The City shall also provide a reasonable alternative location for the Company's facilities as part of its relocation request.

Section 5. Prior to the City abandoning or vacating any street, avenue, alley or public ground where the Company has gas facilities, the City shall grant the Company a utility easement for said facilities. If the City does not grant the Company a utility easement for said facilities prior to abandoning or vacating a street, avenue, alley or public place, the City shall at its cost and expense obtain easements for existing Company facilities.

Section 6. Said Company, its successors and assigns, shall throughout the term of the franchise distribute to all consumers

gas of good quality and shall furnish uninterrupted service, except as interruptible service may be specifically contracted for with consumers; provided, however, that any prevention of service caused by fire, act of God or unavoidable event or accident shall not be a breach of this condition if the Company resumes service as quickly as is reasonably practical after the happening of the act causing the interruption.

Section 7. There is hereby imposed a franchise fee of one percent (1%) upon the gross revenue generated from sales of natural gas by the Company within the corporate limits of the City. The Company shall begin collecting the franchise fee upon receipt of written approval of the required tax rider tariff from the Iowa Utilities Board.

The amount of the franchise fee shall be shown separately on the utility bill to each customer. The Company shall remit franchise fee receipts to the City no more frequently than on or before the last business day of the month following each calendar year quarter.

The Company shall not, under any circumstances be required to return or refund any franchise fees that have been collected from customers and remitted to the City. In the event the Company is required to provide data or information in defense of the City's imposition of franchise fees or the Company is required to assist the City in identifying customers or calculating any franchise fee refunds for groups of or individual customers the City shall reimburse the Company for the expenses incurred by the Company to provide such data or information.

Section 8. The term of the franchise granted by this Ordinance and the rights granted thereunder shall continue for the period of twenty-five (25) years from and after its written acceptance by the Company. The acceptance shall be filed with the City Clerk within ninety (90) days from passage of this Ordinance.

Section 9. If any section or provision of this ordinance is held invalid by a court of competent jurisdiction, such holding shall not affect the validity of any other provisions of this ordinance which can be given effect without the invalid portion or portions and to this end each section and provision of this ordinance is severable.

Section 10. The expense of the publication of this Ordinance shall be paid by the Company.

Section 11. This Ordinance sets forth and constitutes the entire agreement between the Company and the City with respect to the rights contained herein, and may not be supplemented, superseded, modified or otherwise amended without the approval and acceptance of the Company. Notwithstanding the foregoing, in no event shall the City enact or maintain any ordinance or place any limitations, either operationally or through the assessment of fees, that create additional burdens upon the Company, or which delay utility operations.

PASSED and ADOPTED by the Osceola City Council on the 6th day of June, 2017.

Thomas Kedley, Mayor

Attest:

Ty Wheeler, City Clerk

(CITY SEAL)
