Parks & Recreation Department Board

The Osceola Parks & Recreation Board oversees the Parks & Recreation Department. The Board makes decisions on the development of the leisure time opportunities and facilities in the community.

The Board meets at 5:00pm on the fourth Wednesday of each month. Meetings are held at City Hall in the City Council Chambers. Anyone who would like to address the Board may be put on the Agenda by calling the Parks & Recreation Office at (641) 342-2288. All meetings are open to the public.

Parks & Recreation Department Mission Statement:

Parks and Recreation exists to preserve and enhance the quality of life and encourage healthy lifestyles of Osceola residents through education, recreation programming, quality parks, nature areas, and trails.

Programs are listed in chronological order beginning in March.

GENERAL REGISTRATION: Registration forms may be picked up at the Parks & Recreation Office or downloaded from the City Website. Registration forms are specific to each program. Please take care to utilize the correct form when registering and be aware of program registration dates. Register as early as possible. Complete all necessary information. Make checks payable to the Osceola Parks & Recreation Department for all programs. Return form and fee using one of the previously mentioned methods.

YOUTH SPRING SOCCER

Any boy or girl going in to Pre-K through 6th Grade is invited to participate in this program. Volunteer coaches will lead participants through practices and games focusing on the fundamentals and techniques of this sport. Practice nights and times are set by the volunteer coaches with games played on Saturday mornings. Practices and games are held at the Osceola Recreation Complex Soccer Fields. Registration Fee is \$35 per child, \$20 per child if they have a previous reversible jersey. ***Registration runs February to March 3rd, 2023.*** Games will tentatively start April 1st and finish April 29th.

YOUTH BASEBALL/SOFTBALL

Mini T-Ball: This division is for any preschool age boy or girl. Volunteer coaches will be assigned to coach registered participants of Co-Ed teams. The objective of this division is to familiarize youth with the basic fundamentals of baseball/softball along with social interaction. Practice nights and times are set by the volunteer coaches with games played on Friday evenings at the Osceola Adult/Youth Ball Field Complex. Registration Fee is \$30 per child. ***Registration, to avoid late fee, ends March 17th.***

T-Ball: This division is for any boy or girl currently in Kindergarten. Volunteer coaches will draft all registered participants to form Co-Ed teams. The objective of this division is to familiarize youth with the basic fundamentals of baseball/softball. Catching, throwing, fielding, hitting, base running, and fun are emphasized. Practice nights and times are set by the volunteer coaches with games played on Friday evenings. Practices and games are held at the Osceola Adult/Youth Ball Field Complex. Registration Fee is \$30 per child. ***Registration, to avoid late fee, ends March 17th.***

Pee-Wee: This division is for any boy or girl currently in 1st – 2nd Grade. Volunteer coaches will draft all registered participants to form unintegrated teams, as well as guide players through practices and games. The objective of this division is to continue and reaffirm the basic fundamentals of baseball/softball, along with expanding player knowledge and skills of the game. Games are modified to accommodate these young players. Practice nights and times are set by the volunteer coaches. Practices and games are held at the Osceola Adult/Youth Ball Field Complex. Registration Fee is \$30 per child. ***Registration, to avoid late fee, ends March 17th.***

Minor/Major: These divisions are for any boy or girl currently in 3rd & 4th Grade (Minor) or 5th & 6th Grade (Major). The divisions also break down in to boy (baseball) and girl (softball) teams. The Minor/Major divisions of this program are offered through the Osceola Parks & Recreation Department but run through the South-Central Iowa Youth League. Volunteer coaches will draft all registered participants to form teams, as well as guide players through practices and games. Practice nights and times are set by the volunteer coaches. Game schedules are set by the Department, or team coaches through the South-Central Iowa Youth League. All home games will be at the Osceola Adult/Youth Ball Complex. Registration Fee is \$40 per child. ***Registration, to avoid late fee, ends March 17th.***

A WALK IN THE PARK

Patrons of our Park System are encouraged to get together for a walk in the park to enjoy the fresh air and natural beauty. Q-Pond Trail, located at Q-Pond Park, allows for hard surface walking/running. Parking for the trail is located at the upper Park (1111 W. Clay Street). One loop around the trail is approximately 2 miles. For additional distance, feel free to take one of the mowed grass pathways adjacent to the paved trail or continue on to Hembry Pathway via the newly paved connector. This Pathway, located at the Osceola Recreation Complex, allows for hard surface walking/running starting at either the Adult/Youth Ball Field Complex or Clarke Community High School. The pathway, walked in both directions, is 1.2 miles in length. If you're looking for a little more, do a couple laps around the High School to reach the 2-mile mark. Mornings are a popular time especially during summer's hot temperatures. ***Keep in mind that for every mile walked or ran by a sedentary person, gives him/her an extra 21 minutes of life.*** Call a friend today and go enjoy our trail system.

ADULT SOFTBALL LEAGUES

The Osceola Parks & Recreation Department will be providing Adult Softball Leagues. League Fee per team is \$200.

Co-Recreational Slo-Pitch: The Co-Recreational League will tentatively start the second week of July. Registration will take place from mid-June to mid-July. Six (6) team minimum to provide a League. Games are played on Wednesday evenings starting at 6:45pm at the Adult/Youth Ball Field Complex.

Rain Outs and Delays: If, due to weather or uncontrollable circumstances, the games for that evening are cancelled, they will be made up the following week. Department will determine makeup date.

YOUTH TENNIS LESSONS

Tennis Lessons will be offered for students completing 1st Grade through High School. Players from beginning to advanced level are all welcome. Lessons will be given at the High School Tennis Courts. Instruction is by Head Varsity Tennis Coach Jeff Ehrhardt. Registration runs from May 1st – May 26th. Registration Fee is \$40 per participant. Registration fee includes a T-Shirt. Program runs from June 5th – June 21st. Beginners will learn the forehand, backhand, volley, and serve. The more advanced classes will practice drills on the aforementioned plus learn the overhead smash, the lob, topspin, drop shot, and ball placement. Participants will learn to play both singles and doubles, and the strategies used for each. Scorekeeping and tennis etiquette will also be learned.

Instruction times:

8:00am – 5th through 12th Grade (M-Th)

9:00am – 1st through 4th Grade (M-Th)

CLARKE JUNIOR GOLF LESSONS

Boys and girls in 4th – 8th Grade are encouraged to participate. Lessons will be in the mornings June 5th – June 9th. Lessons will be held at the Osceola Municipal Golf Course. Golf clubs, balls, T-shirt, instruction, etc. are provided. This is a great opportunity to learn and improve skills for this competitive and lifetime sport. Clarke Community School's Golf Coach, Walker Adams will be providing the instruction. Registration Deadline is May 26th. Registration Fee is \$35 per child, \$20 per child if they have a previous reversible jersey. ***Registration runs the month of August.*** Games will tentatively start September 16th and finish October 21st

YOUTH FALL VOLLEYBALL LEAGUE

Any girls in 3-6th grades interested in playing a on volleyball team are invited to participate. League is dependent on volunteer coaching from parents. The department help assist in the schedule and providing volleyballs. Schedule will be provided with games being played on Sunday afternoons in the surrounding area. Teams will have to travel for this league. Fee TBD.

ADULT CO-RECREATIONAL VOLLEYBALL

Games are played on Wednesday evenings at the Jr./Sr. High School Gymnasiums. Three men and three women make up a team. If there are enough teams for each, the league will be split in to two divisions; Competitive and Recreational. Registration Fee is \$125 per team with registration taking place the month of October. Please have an idea in which league your team

will play when registering. Program will start in November and finish with respective League Tournaments the end of February.

YOUTH BASKETBALL CLINICS

Clarke Community School's Head Varsity Boys and Girls Basketball Coaches work with the Osceola Parks & Recreation Department to offer these clinics to any boys and girls in the 3rd – 6th Grades. Participants will learn the beginning fundamentals and skills required to play basketball. Dribbling, passing, and shooting will be the main focus. Please watch for details regarding registration and dates/times for each in the local newspaper or on the Osceola Parks & Recreation Department's Facebook Page starting in September. Registration Fee TBD.

ADULT OPEN GYM BASKETBALL

This program is offered on Sundays, starting the first Sunday in November. Starting at 3:00pm, anyone eighteen (18) years of age and older may participate in "pick-up" games at the High School Gymnasium. This program ends the last Sunday in March (approximately 20 weeks). For liability reasons, please note the minimum age requirement. A one-time participation fee of \$25 or \$2 per night of play is required.

ADULT BASKETBALL LEAGUE

The Department will once again offer this program on Thursday evenings, starting the first Thursday in November. Anyone eighteen (18) years of age or older may participate. Games are played at the Elementary Gymnasium starting at 6:30pm. A scorekeeper is present at all games but this is a "call your own foul" league. Stop by the Parks & Recreation Office during the month of October to register your team and pick up a rules sheet. Registration Fee is \$125 per team. For liability reasons, please note the minimum age requirement.

ADULT BAGS LEAGUE

This program is new to our recreational arsenal. With the addition of the Municipal Golf Course Clubhouse to our list of facilities in 2019, we offered a trial program of adult, indoor, modified, cornhole. This program met with enough success to continue as a part of our regular programming. This program is offered on Thursday evenings at the Osceola Municipal Golf Course Banquet Room. Matches per night depend on number of teams participating (max. 16 teams). Must sign up as partners and be twenty-one (21) years of age. Program runs November – March. League Fee is \$75 per team.

Various trial programs and special events are offered throughout the year, that are not listed in this guide. In these situations, the Department advertises in the local newspaper and posts information to its Facebook Page. Please check periodically to help us keep you informed.

COOPERATION

The Osceola Parks & Recreation Department would like to thank the Clarke Community School system for the use of their facilities. Without their excellent cooperation, the quality and scope of our activities would greatly diminish.

9:30 – 10:00	or	10:30 – 11:00	Levels 1,2

Swim lessons are designed to provide personalized instruction. Sessions will ideally schedule eight (8) students per instructor. Students may register for more than one session but it is not recommended. Rapid progression through swimming lessons is not necessary as students must be 15 years old to take Lifeguard Certification. Lessons are held during the morning hours Monday through Friday. To begin public swimming lessons, students enrolling in Level I must be 5 years of age or older. The registration fee for public swimming lessons is \$35 (Level I – VI). Swim Lesson registration forms will be posted on the City Website. Forms may also be picked up at the Parks & Recreation Office.

LEARN – TO – SWIM

The American Red Cross offers six comprehensive course levels that teach you, your child or other family members how to swim skillfully and safely. The prerequisite for each level is the successful demonstration of the skills from the preceding level, except for Level I, which has no prerequisite. Children wishing to start public swimming lessons must be age 5 or older at the start of their registered session. Each level of Learn – To – Swim includes training in basic water safety and helping a swimmer in distress, in addition to the following skills.

LEVEL I – INTRODUCTION TO WATER SKILLS

Purpose: To begin developing positive attitudes, good swimming habits and safe practices in and around the water.

Enter and exit using a ladder, steps or side, blow bubbles through mouth and nose, bobbing, open eyes under water and retrieve submerged objects, front and back glides and floats, recover to vertical position, roll from front to back / back to front, tread water using arms, alternating and simultaneous leg and arm actions on front and back, combined arm and leg actions on front and back, learn to stay safe, recognizing an emergency and knowing how to call for help, use life jacket, recognizing lifeguards and sun safety.

LEVEL II – FUNDAMENTAL AQUATIC SKILLS

Purpose: To give participants success with fundamental skills, including learning how to float without support and to recover to a vertical position.

Enter or exit water by stepping or jumping from the side, fully submerge and hold breath, bobbing, open eyes under water and retrieve submerged objects, front, jellyfish, and tuck floats, recover to vertical position, roll from front to back / back to front, change direction of travel while swimming, tread water using arms and legs, combined arm and leg on front and back, finning arm action, perform simple non-swimming assists, learn what to think about and do when exhausted or caught in a dangerous situation.

LEVEL III – STROKE DEVELOPMENT

Purpose: Builds on the skills in Level II by providing additional guided practice in deeper water.

Enter water by jumping, headfirst entries from the side in sitting and kneeling positions, bobbing while moving toward safety, rotary breathing, survival float, back float, change from vertical to horizontal position on front/back, tread water, flutter, scissor, dolphin, and backstroke kicks on front, front crawl and elementary backstroke, learn to look carefully before entering the water, learn to perform simple non-swimming assists, learn to recognize, prevent, and respond to cold water emergencies.

LEVEL IV – STROKE IMPROVEMENT

Purpose: Develops confidence in the strokes learned in Level III and to improve other aquatic skills.

Headfirst entries from the side in compact and stride positions, swim under water, feet first surface dive, survival swimming, front crawl and backstroke open turns, tread water using two different kicks, front / back crawl, elementary backstroke, breaststroke, sidestroke and butterfly, flutter and dolphin kicks on back, learn to look carefully before entering the water, learn what to think about and do when exhausted or caught in a dangerous situation, perform simple non-swimming assist, learn about recreational water illnesses and how to prevent them.

LEVEL V – STROKE REFINEMENT

Purpose: To further learn how to coordinate and refine strokes

Shallow-angle dive from side then glide and begin front stroke, tuck and pike surface dives, submerge completely, front flip turn and backstroke flip turn while swimming, front and back crawl, elementary backstroke, breaststroke, sidestroke and butterfly, sculling, learn how to call for help and the importance of knowing first aid and CPR, learn basic safety guidelines for participating in aquatic activities at waterparks, learn to look carefully before entering the water, perform simple non-swimming assists, learn about recreational water illnesses and how to prevent them, what to think about and do when exhausted or caught in a dangerous situation.

LEVEL VI – SWIMMING AND SKILL PROFICIENCY

Purpose: To refine strokes so participants swim them with more ease, efficiency, power, smoothness, and over greater distances. To introduce and practice fundamental springboard diving. Level VI is designed with “menu” options. Each of these options focus on preparing students to participate in more advanced courses, such as Water Safety Instructor and Lifeguard Training. The options include:

Personal Water Safety, Fundamentals of Diving, and Fitness Swimmer.

EXIT SKILLS FOR SWIM LESSONS

Levels I – V have associated exit skills that will help us determine proper placement and level continuation of a student. These skills are administered the first day of class (proper placement) and the last day of class (continuation).

Water Accidents

Nearly 10,000 people die every year across the United States in water related tragedies. The Osceola Parks & Recreation Department strongly encourages parents to register their children for swimming lessons.

PARKS & FACILITIES

CLARKE COUNTY RECREATION COMPLEX

This 52 acre facility is located on the north side of the City. There are two access points to the

Rec-Plex. The south entrance, which will gain patrons access to the Fern Underwood Family Aquatic Center, Soccer Fields, Becky Persels Skate Park, and Hemby Pathway, is at the intersection of W. Shaw and N. Fillmore Streets. The north entrance, which will gain

patrons access to the Adult/Youth Ball Field Complex as well as the Osceola Disc Golf Course, is located directly south of the County Yard off of Highway 69 N.

Fern Underwood Family Aquatic Center began the development of this area in 2000. This is a 180,000-gallon facility with zero-depth entry, 4-lane (25m) lap swim area, deep well with a 3m diving board, plunge area for the 142 linear foot water slide, and several amenities such as geysers, kiddie slide, mushroom, (ten) 20-foot umbrellas, and 100 lounge chairs.

Osceola Adult/Youth Ball Field Complex was the next to be developed in 2003. This area features four youth fields (200' fence) clover leafed around a centralized concession/maintenance building, along with two adult fields (280' fence). All areas between the youth and adult fields, including the path leading to the concession/maintenance building from the gravel parking lot, the path leading up to the adult fields, and the extension of Hemby Pathway to the gravel parking lot, are now all hard surfaced.

Osceola Soccer Fields: two regulation sized fields were development in the spring of 2005. This area created a home for the Department's Youth Soccer program. The fields themselves have been utilized by a variety of patrons for various activities such as adult soccer.

Hemby Pathway immediately followed this development in the summer of 2005. This pathway (.6 miles in length) connects the southern facilities (Aquatic Center/Skate Park/Soccer Fields) to the northern facilities (Ball Field Complex/Disc Golf Course). Not only is it a great place to walk and enjoy the out of doors, but it also allows safe passage for children to the ball fields.

Becky Persels Skate Park was another addition to the complex in the fall of 2005. In conjunction with area youth and American Ramp Company, a design was developed for this 7,000 sq. ft. addition. The park includes Half Pipe, Quarter Pipe, Cow Catcher, various Grind Rails, etc., and was made possible with the assistance of the Clarke County Development Corporation and a very generous donation from Mrs. Becky Persels.

Osceola Disc Golf Course is our latest addition to the Recreation Complex. The project was completed the fall of 2014. Almost all of the holes are sponsored allowing for a great, long, course. Innova Disc Catchers were installed along with paved Tee Pads. This course starts and ends at the ball fields as it weaves its way through the complex to the soccer fields and back.

EAST CLAY STREET PARK

This park, located at the corner of North Osceola and East Clay Streets, is the newest jewel in the Department's Park System. Park boasts the newest innovations in play structures atop a rubberized surface. Benches, with shade structures, align the perimeter of the play area.

GRADE LAKE PARK

This park, located along Lakeshore Drive, has excellent fishing along with bird watching and hiking. Thomas Trail, a natural walking path on the west side of the lake, connects Lakeshore Drive to Grade Lake Drive. Total walking distance around the lake is approximately 1 1/3 miles. Benches, donated by the Osceola Lions Club, are placed along Thomas Trail for rest or just to take in nature's beauty.

LAUREN'S BARK PARK

This park is located along Highway 34 at 801 E. McLane Street in memory of Lauren Barker. She was a frequent volunteer at the Osceola Animal Shelter and this park was a dream of hers. The Park consists of two (2) fenced in areas. One (1) for large dogs and one (1) for small dogs to play and socialize.

For General Requirements, Park Rules, and Park Usage Permit, utilize the following link: (<https://osceolaia.net/city-of-osceola-departments/city-of-osceola-parks-recreation/parks-and-recreation-forms/>) or contact Osceola City Hall (641) 342-2377 or Parks and Recreation office at 342-2288.

LITTLE INDIAN PARK

This park is located at the corner of Temple and Jackson Streets. It is a small neighborhood park with a sidewalk, playground equipment, shelter, and a 1/2 court basketball court.

OSCEOLA MUNICIPAL GOLF COURSE

The Osceola Municipal Golf Course, formerly known as the Osceola Golf & Country Club, was deeded and accepted by the City in March of 2019. This facility was built in 1961 on a great piece of property that includes elevation changes, mature trees, a creek, and ponds.

This facility has many additional features such as a practice area for putting, netted driving area, and cart sheds that Season Pass Holders may rent space for their personal cart.

The Clubhouse is available to rent for special events. Wedding receptions, class reunions, graduation parties, funeral receptions, holiday parties, or your own golf event are just a few examples of Facility Rental possibilities.

Fees:

9 holes without cart \$15, 18 holes without cart \$20. Cart rental 9 holes \$10 per seat, 18 holes \$15 per seat. Family Membership \$645, Single \$495, Student \$85, Student on golf team \$75.

Q-POND PARK & BOAT ACCESS

This is a 125-acre park located on the northwest side of town off W. Clay Street. The upper portion currently features two shelters, a few pieces of play equipment, Restrooms, and the Q-Pond Trail System. The Pheasants Forever Shelter is a smaller shelter that can accommodate approximately 15 people. The Methodist shelter is significantly larger with an approximate capacity of 50 people. Large open areas surround these shelters allowing individuals or groups to enjoy nature or games. Improvements to the park continue. This Park is home to the Department's Maintenance Building. A hard surfaced trail looping around the entire park is complete. There are several internal nature trails integrated in the overall trail for those who may wish to go off the beaten (paved) path. The Q-Pond Trail Loop now connects to Hembry Pathway at the Clarke County Recreation Complex via Clarke Community School's property between the football and baseball fields.

The Boat Access area is perfect for individuals or families to go fishing or just enjoy nature. Access to this area is at the corner of Delaware and W. Clay Streets. Park benches are placed in key spots for resting, relaxing, and taking in the beauty of this Park.

SEMINOLE PARK

This small neighborhood park is located along Country Club Drive. A small basketball court is provided at the park along with a gazebo and playground equipment with poured-in-place rubberized surfacing.

WARREN FAMILY PARK

This 2-acre park is located at the corner of Warren Avenue and Truman Road. It features a sidewalk system, playground equipment with crushed rubber surfacing and a full-length basketball court. Also included on site is a shelter for family and group use.

WEST LAKE MARINA

Enjoy the fishing at West Lake. Launch your boat from one of the two paved boat ramps to start the fun. Plenty of room for parking and nice restroom facilities are provided. The Parks & Recreation Department was awarded the DNR's Land and Water Conservation Fund (LWCF) Grant to replace both docks a few years back. These docks are "Connect-a-dock" docks, sit lower in the water, are handicap accessible, have a kayak launch, and improve ease in which patrons can get in and out of their boats. We hope you enjoy the finished product.

Your Garbage Day – Tuesday, Thursday, or Friday

South of HWY 34 – TUESDAY, North of HWY 34 & West of HWY 69 – THURSDAY, North of HWY 34 & East of HWY 69 & Harkin Hills – FRIDAY

Recycling pickup is highlighted in YELLOW, and is every other week. Tuesday, Thursday, or Friday
